

Paradise Town Council
July 17, 2019
7:30 p.m.

Council Members Present- Mayor Atwood, Martell Lowe, Shannon Rasmussen, Alyssa Petersen (Recorder)

Excused: Larry Johnson, Vic Little

Community Members Present- Reed Baldwin, Mark Marrott, Ashley Smith, Fire Chief Troy Fredrickson

Minutes- The Minutes of July 3, 2019 were emailed to the Council members previous to the meeting. The Minutes of July 3, 2019 could not be approved at this time without Vic and Larry at the meeting.

Bills- Martell read the bills. Martell made a motion to approve the bills as read for July 17, 2019. Shannon seconded that motion, all in favor.

Public Comment- None at this time.

Paradise Cemetery- Sprinkler System- Dave Curtis and Mayor Atwood were going to meet before the meeting and go over some options for the sprinkler system, but they were not able to meet so Dave and the Cemetery District will be on the next Agenda.

Reed Baldwin- RAPZ Discussion- Reed introduced himself as a member of the Cache County RAPZ committee. He wanted to let the Council know that this year there was money left over in the program after all the applications were received and he was concerned that the Town hadn't put in an application this year. The Council explained that they had wanted to finish up all projects they had been awarded money for before they applied for more money.

Council Reports

- **Roads - Martell Lowe** – Martell asked about when 8600 will be completely finished. We just received the UDOT permit and should be finished up shortly. They will bore the highway and loop the water system then finish the asphalt. They still have some shoulder work to do down 8600 and along 350 W. Martell would like to get the trees trimmed at intersections with bad visibility. He will make a list of the intersections with visibility issues due to overgrown trees.
- **Water- Vic Little-** Vic was not present at the meeting. The State has passed a law that requires new hookups after 2020 need a meter for irrigation water. They also require that the Irrigation Company needs to meter the rest of the water system. Ag water is exempt, but irrigation water being used for lawns will be required to be metered. There is a leak on 9500 S. at a residential water meter. The leak has been blue staked, but Mayor Atwood is trying to round up a backhoe to get it dug

so he can fix it. There is another leak on the south west end of town that the Mayor will get fixed as soon as possible.

- **Community- Shannon Rasmussen-** Shannon wondered about having the Youth Council Mayor attend the Lions Club meetings to offer their help and involvement. There was a discussion on the activities for Trout and Berry Days. Mayor Atwood asked Shannon if the Youth Council could help round up donations for the Auction.
- **Fire/Grants/Budget- Larry Johnson-** Larry was not present at the meeting.

Fire Department Wildland Equipment Purchase- The Fire Department turned in a Purchase Request for 5 sets of wildland equipment for \$6,363.00. They included two bids from the two companies that supply wildland equipment. They would like to use Weidner Fire because Weidner can get the equipment quicker. Martell made a motion to approve the purchase; Shannon seconded that motion, all in favor. The Fire Department is in need of 4 sets of turn-outs. The Mayor thought that they could purchase 2 sets now; they will turn in a Purchase Request by next meeting for the 2 sets of turn-outs.

Unfinished Business-

Basketball Court Eagle Project- The Scout that is working on fixing up the basketball court by the Town Hall has cut out all the cracks in the concrete. The cracks were larger than originally thought. Mayor Atwood called Morgan Paving and they will come fill them when they fill cracks in Nibley next month.

Non-compliant Property- The property owners have a court date on July 23. The property owners have agreed to meet with a few members of the Council and will go over the expectations the Town has for the property. The attorneys will be present at the meeting.

New Business – No new business at this time.

Meeting Adjourns – Shannon made a motion to adjourn the meeting, Martell seconded that motion, all in favor. Meeting adjourns at 9:28 p.m.

Alyssa Petersen, Clerk

Lee Atwood, Mayor
